"VIVU LA REĜO"!

La Reĝo de 1924 mortis. Vivu la Reĝo de 1925! La mortinto ne estis agrabla. Li preskaŭ dronigis nin per pluvo, preskaŭ mortfrostigis nin per malvarmo, sed li havis unu meriton: li helpis multe al la plua kreskado de nia afero, ĉar multaj sukcesoj estas akiritaj dum lia reĝado. Ekzemple: Ni havis treege sukcesplenajn kongresojn en Chester kaj Vieno; ricevis la subtenon kaj aprobon de la plej granda Radio Societo en Ameriko; vidis la aperon de lecionoj pri Esperanto en la Radiaj programoj de diversaj Radistacioj en Germanujo; kaj laste, sed ne plej malgrave, la bone merititan sukceson de *International Language*. Sendube, ni Esperantistoj povas nin gratuli pri nia progreso en 1924.

Kaj nun ni devas nin turni al la nova jaro, kaj pripensi kiel plej bone agi por la profito de la movado. Pro mi mem, mi konfesas, ke mi posedas la plej ĝojan fidon kaj la plej grandajn esperojn, ĉar mi vere kredas, ke la "fluanta tajdo estas nun kun ni"; ke, per forta, unu-anime farita penado, ni povos atingi eĉ pli grandajn venkojn, ol iam antaŭe. Hodiaŭ la Brita Esperantistaro estas "unu granda, feliĉa, rondo familia." Ni ĉiuj posedas plenan fidon kaj kuraĝon, ĉar kien ajn mi iris en 1924, mi trovis la saman entuziasmon por la Afero.

Kiel prezidanto de B.E.A. mi faris ĉion en mia povo por plenumi la devojn de la ofico kontentige. La laboro estis granda, sed mi tute forgesis tion pro la tutkora amikeco kaj subteno, kiun mi ĉiam ricevis je viaj manoj, kaj per kiu la laboro fariĝis vera plezuro.

Eble vi jam faris . . . eble jam rompis . . . multe da rezolucioj por 1925. Sed mi esperas, ke unu apartan rezolucion vi fidele plenumos: ke vi varbos almenaŭ unu novan anon por

B.E.A. dum la nuna jaro. Se ĉiu el vi faros tion!!!! Ĉu vi promesas? Tutkoran dankon.

Kaj nun restas nur spaco por esprimi mian koran deziron, ke vi ĉiuj havos tre Feliĉan kaj Prosperan Novjaron, kaj ke viaj pluaj

klopodoj por Esperanto ricevos riĉan rikolton.

JOHN MERCHANT, *Prezidanto*.

THIS IS A REMINDER

that a Fellow or Member of the B.E.A. may now be a *Membro-Abonanto* of the U.E.A. for 10/- (instead of 12/6). If you have not already joined the U.E.A., do so now and help the international side of the Movement. The U.E.A. Year-Book and monthly magazine you will find in themselves worth much more than the cost of subscription. NOW IS THE TIME.

A Meeting of the Council was held at the Offices of the Association on Saturday, 6 Dec., 1924.

Present: The President (Mr. Merchant), Misses Blake, O'Brien, Rook; Mrs. Clayton; Messrs. Boll, Boutwood, Blaise, Clayton, Fairman, Robertson, Shelton, Smith, Thomas, Wadham, Yelland, Edmonds, Long.

An adjourned meeting of the Council was held at the Offices of the Association on Saturday, 10 Jan., 1925.

Present: The President, Miss O'Brien, Miss Rook, Messrs. Boll, Edmonds, Fairman, Long, Robertson, Shelton, Thomas, Wadham, Yelland.

In attendance at both meetings: The Secretary, The Business Manager.

Universal Congress in 1926. It was reported that a motion of dissent in accordance with the articles of Association had been received from 10 Councillors, with reference to the Resolution passed on this subject at the Council Meeting at Sheffield on 11th Oct., 1924. Letters were read from absent Councillors, and an extensive discussion took place on the situation, the tenor of which the delegate of the Edinburgh Society was asked to communicate to that Society, and the meeting was adjourned pending reply to her report.

At the adjourned meeting a letter was read from the Secretary of the Edinburgh Society in which it was stated that the Society had withdrawn the invitation sent by them to the Centra Komitato for holding in Edinburgh the 1926 Universal Congress. The letter concluded: "My Council at the same time remain of opinion that our action in this matter has been quite regular, and we reserve all our rights as an autonomous group."

The Council then formally rescinded the resolution passed at the Council Meeting held at Sheffield on the 11th October approving the invitation since withdrawn.

Thereupon the following resolution, moved by Mr. Edmonds, seconded by Mr. Shelton, was carried unanimously:—

"That the President be empowered warmly to thank the Edinburgh Society for their letter of the 22nd Dec., and to assure them that no attack on their autonomy has ever been or will be contemplated: to inform them that if their Society as a whole is willing to co-operate in the organisation of a Universal Esperanto Congress for 1926, the B.E.A. will forthwith make official invitation to the Centra Komitato to that end; and the Council further has great pleasure in assuring the Edinburgh Society that every endeavour will be made to secure the largest possible measure of hearty co-operation with their Society in order to secure such full and complete success as will be of the highest service to the Movement."

In my last report appeared certain suggestions against Mr. Warden, conveying the idea of his disloyalty to the new international organisation. It has now been ascertained that these suggestions were based on unverified statements from sources outside the B.E.A., and are wholly without foundation. I much regret that those statements have been repeated in these notes, and am glad to be able to say that I am now quite satisfied that Mr. Warden will loyally support the new organisation.

CHARLES H. EDMONDS,

Hon. Secretary.

Owing to limitations of space report of other matters dealt with at the Council Meeting above referred to is held over till next month.

LA SISTEMO DE ZAMENHOF PRI LANDNOMOJ.

Tie ĉi mi deziras simple klarigi por tiuj, kiuj ne bone ĝin komprenis, la sistemon de nia Majstro pri la landnomoj.

1e. Koncerne la landojn de la Malnova Mondo (Eŭropo, Azio), la "indigena" popolo donas sian nomon al la lando: Germano-Germanujo; Ĉeĥo-Ĉeĥujo + Slovako-Slovakujo; kunmetitaj Ĉeĥoslovakujo, k.t.p.

Tamen, la landnomojn, kiuj finiĝas per . . . lando, D-ro Zamenhof konservas sensange; Holando (Regnano: Holandano). Skotujo (Skoto), Fin(n)ujo (Fin(n)o) estas cetere korektaj formoj, sed malpli ofte uzataj, ol Skotlando, k.t.p.

2e. Koncerne la landojn de la Nova Mondo (Ameriko, Afriko, Aŭstralio), kie la "enmigraĵoj" fakte malaperigis la indigenan popolon, li alprenas la nomon mem de la lando, esperantigante ĝin: Peruo (Peruano); Maroko (Marokano), k.t.p.

3e. Koncerne la nomojn de la provincoj: la provincan nomon, esperantigante ĝin, kiam eble.

Ĉu ne klara, ĉu anarkia, tia sistemo? *Ne.*

"Neniu sistemo" (pri la landnomoj), skribis Prof. Grosjean-Maupin, la Akademia Raportinto pri la demando, "estas plene rekomendinda el teoria vidpunkto. Pro tiu ĉi motivo ni devas konsideri nur la *praktikan* vidpunkton, el kiu la fideleco al la ĝisnuna tradicio (la Zamenhofa) estas pli sendanĝera, ol iu ajn provo." (Raporto aprobita de la Akademio kaj de la Lingva Komitato, Nov., 1922).

TH. CART,

Prezidanto de la Lingva Komitato.
